

Welcome to a New Era of Work

Meet Gemini for Google Workspace. This technology, now available in all Google Workspace Business and Enterprise plans, introduces a powerful new way of working that embeds the power of generative AI across all your Workspace applications.

Gemini Advanced

Access Google's most powerful AI for advanced reasoning, creativity, and collaboration, with seamless Workspace integration, enterprise-grade data protection, and support for 45+ languages.

Help Me Write

In Docs and Gmail, Gemini helps draft, refine, and proofread documents and emails for faster, more polished writing.

Help Me Design

Create custom images in Google Slides by entering a prompt—Gemini generates visuals to bring your ideas to life.

Help Me Connect

In Meet, Gemini improves video calls with AI-powered backgrounds, studio-quality audio and lighting, live translation, and automatic meeting notes

NotebookLM Plus

NotebookLM Plus expands AI-grounded productivity with more capacity, customization, shared notebooks, and secure, organization-only data usage.

Gemini Side Panel

Use Gemini inside Gmail, Docs, Sheets, Slides, Drive, and Chat to summarize, analyze, and generate content without leaving your app.

Create Tables with Gemini

In Sheets, Gemini organizes projects, suggests custom tables, and automates text tasks like filling in missing data.
